Educational Excellence

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational

experience. The university offers a learning environment that is small enough to provide students with individual attention, yet large enough to provide a variety of resources, including distinguished faculty.

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 12,908 in the fall of 2008. Students come from every county in Iowa, and about 94 percent of UNI's undergraduate students are residents of Iowa upon enrollment.

The University of Northern Iowa was founded in 1876 as Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to the State College of Iowa and in 1967, the Iowa legislature changed the status of the institution to that of a university under its present title.

Facts and Highlights

U.S. News and World Report ranks UNI in the top two among public comprehensive universities in the Midwest.

- » Kiplinger Personal Finance places UNI in the national top 50 for best value in public colleges.
- » The Education Trust (www.edtrust.org) named UNI first among peer institutions nationally for overall high performance in graduation rates.
- » UNI prides itself on smaller class sizes that enhance faculty-student interaction and personalized instruction. Thirty-five percent of classes have fewer than 20 students, and 85 percent have fewer than 40 students.
- » UNI students are actively involved with more than 220 student organizations, including special interest clubs, sororities and fraternities, religious groups and academic groups.
- » UNI is the alma mater of NFL and Super Bowl MVP Kurt Warner, as well as U.S. Senator Charles Grassley.
- » The UNI Wellness Recreation Center, attached to the north side of the UNI-Dome, features a climbing wall, two pools, a running track, weight and fitness rooms, and courts for basketball, volleyball and racquetball.

Academics

One of the most important aspects of a future productive life is your education. Fortunately, this education period comes early in life while you have the time and energies necessary to accomplish this very worthwhile goal. Obtaining a college education and ultimately a degree is the student-athlete's responsibility. The education process means managing your time wisely so that the educational, athletic and social aspects of your life have an appropriate share of time.

At given times, students may find it necessary to ask for help in accomplishing an educational task. At UNI, services are available to students for obtaining guidelines and/or specific help.

Educational Opportunity Program

The mission of the educational opportunity program is to provide supportive services which are essential for the identification, recruitment, retention and graduation of minority and educationally disadvantaged students who traditionally have not had equal access to higher educational institutions. Services provided to participants include:

- » Academic and career counseling
- » Tutorial services
- » Financial aid counseling and advising
- » Personal counseling
- » Course selection and registration
- » Educational planning

In order to be an EOP participant, the student must be a minority student or be educationally disadvantaged, as evidenced by having an ACT score of 15 or less and/or placing in the bottom half of his/her high school graduating class.

Academic Counseling

An advisor has been assigned responsibilities across the athletics department and will assist you in:

- » Scheduling
- » Choice of major
- » Selection of a major advisor
- » Tutorial services
- » Maintaining progress toward a degree

The athletics academic advisor works closely with the university's academic advising services to provide a variety of services to help students achieve their personal, career and academic goals.

Professional and peer advisors help students:

- » Prioritize life/professional goals
- » Utilize university resources
- » Select appropriate courses
- » Resolve academic difficulties
- » Interpret academic requirements
- » The reading/learning strategies program provides many services for students, including free four-week courses in:
 - » Speed reading: Double your reading rate
 - » Effective study strategies: Practice techniques for learning, managing time and preparing for exams
 - » Study reading: Open to students referred by the teacher education program

Troy Dannen
UNI Director of Athletics

Troy Dannen was named the University of Northern Iowa's Director of Athletics on May 29, 2008. He became the school's fifth director of athletics since UNI

turned Division I in 1980.

It's a homecoming for Dannen, who attended UNI as an undergraduate in the 1980s. Although he's been off campus in a professional capacity for nearly 20 years, he has maintained close ties to the school.

Because of his passion to see UNI athletics continue to achieve the success it has had in recent years – and his desire to take the program to even greater heights – Dannen chose to leave his previous position as Executive Director of the Iowa Girls' High School Athletic Union to lead the Panther athletic program. As he said on the day of his hiring, it took this unique opportunity to take him away from a job he enjoyed so much.

"I've had an opportunity to have two dream jobs," Dannen said. "I've enjoyed a dream job at the Athletic Union. It's one of the best jobs in the country. When the Athletic Union hired me six years ago to be their Executive Director, I was asked if there was any place I'd rather be. I told them, 'Well, some day, I'd like to go back to Northern Iowa'. Because that is THE dream job for me ... every personal and professional success in my life has its roots at Northern Iowa.

"It was never my dream to be an athletic director," Dannen said. "It was my dream to be the athletic director at Northern Iowa. There's no place I'd rather be. I'm out of dream jobs. I'm here for a good long time."

Dannen believes that Panther athletic department should value excellence in all endeavors, with its

primary objective being personal development and growth of its student-athletes.

Dannen believes in achieving that objective by focusing on the core educational mission of the University and ensuring the department acts with integrity and in a fiscally responsible manner. Through this, Panther athletics can continue to thrive, and achieve greater levels of success both on and off the course.

For the past six years, Dannen has served as Executive Director of the Iowa Girls' High School Athletic Union (IGHSAU). As the governing body for high school sports in the state of Iowa, the IGHSAU oversees nearly 400 schools and more than 70,000 students, in the 11 sports offered by the Union.

Dannen has served in various capacities at the IGHSAU over the past 18 years, including serving nine years (1993-2002) as associate executive director. After taking over as executive director in 2002, Dannen formulated the first strategic plan in the Union's 82-year history, and that has led to some remarkable achievements the past half dozen years.

Dannen oversaw a 40 percent growth in the Union's budget on his watch, all the while operating the IGHSAU in the black, which has allowed for the establishment of a significant reserve fund. Sponsorship agreements have soared to new heights over the past six years, as Dannen has spearheaded expanding the Union's existing deals and developing landmark new corporate sponsors.

He was responsible for developing a new statewide, multi-media rights agreement for the IGHSAU. This new agreement – which includes radio, television and online audio and video streaming of IGHSAU state championship events – not only increased the exposure of girls' high school sports around the state, but also more than doubled the annual rights fees the IGHSAU was receiving previously from its radio and TV agreement.

The increased media exposure had a direct impact on the turnstiles at girls' high school athletic events, helping spur the interest in girls sports to

its highest levels. Softball, volleyball, track and field and five-player basketball have each set all-time attendance records at various state championship events in recent years, including the basketball tournament drawing 80,000 spectators over the six-day event.

Dannen also has been a strong advocate of recognizing academic achievement, creating several new scholarship programs. He also developed an IGHSAU academic award program that recognizes as many as 3,000 Iowa high school students each year who achieve at higher levels in the classroom while participating in sports.

With all those accomplishments, it is not surprising that the Des Moines Register listed him fourth in their 2005 ranking of the most powerful Iowans in Sports. He has received numerous honors and awards over the years, including the Pursuing Victory with Honor Award from the Iowa Institute of Character Development in 2005, and the Award of Excellence from the Iowa Girls' and Women in Sport in 1999.

In addition, Dannen has been active in community service in both the greater Des Moines area and around the state. He has been a member of the Iowa Games Board of Directors, the Greater Des Moines Sports Commission, and served on the AAU Junior Olympics Local Organizing Committee. He also has served on the Iowa Athletic Council, Iowa Referee Committee and the Drake Relays Committee. Dannen has also been active internationally, having twice in the past five years been a presenter in Malaysia – at the request of the Olympic Council of Malaysia – on the topic of youth sports and sport program development.

Born and raised on a farm near Marshalltown, Iowa, Dannen, 42, received his bachelor's degree in public relations with a minor in journalism from UNI in 1989. He and his wife, Lori, have two daughters: Emily (13) and Holly (9).

Jean Berger
Senior Associate Athletic Director/Senior Woman Administrator

Jean Berger joined the University of Northern Iowa staff as senior associate athletic director and

senior woman administrator in October 2008. At UNI, Berger is direct supervisor of seven UNI women's sports. She also will be responsible for implementing and monitoring gender equity plans; assisting with marketing and budgeting of assigned programs; and providing support to the athletic compliance office and athletic academic advising.

Before coming to UNI, Berger worked for more than 17 years at Drake. Berger began working with the Bulldogs in 1991 as an assistant sports information director. In 1994 she took over as the senior woman administrator and assistant athletic director for internal affairs, and in 2005 she was promoted to senior associate athletic director.

Berger's responsibilities at Drake included supervision of 11 athletic programs and overseeing the department's student services, including compliance, academic support, sports medicine and strength and conditioning. She also worked as a sponsor for the Drake Student-Athlete Advisory Committee. She serves as the Missouri Valley Conference representative to the NCAA Division I Women's Basketball Issues Committee, and she previously served a five-year term on the NCAA Division I Women's Basketball Committee.

Berger also worked closely with Drake's Title IX Review and gender equity plan, the 1995 NCAA Midwest Women's Basketball Regional, two cycles of Drake's NCAA Certification self-study and the Drake Relays.

Before working at Drake, Berger spent one year as an assistant sports information director at Wichita State. From 1985-1990, Berger worked as the sports information director at Wayne State College.

Berger attended the University of Iowa, and she earned her bachelor's degree in journalism and her master's degree in physical education and sports studies. She is a native of Winterset, Iowa and has two daughters, Jessica (22) and Jenna (14).

Robinson-Dresser Sports Complex

THE NEW HOME OF PANTHER SOFTBALL

The University of Northern Iowa softball team will play for the second straight year at their new home, the Robinson-Dresser Sports Complex. The facility, located along West 12th Street just northwest of the UNI campus, replaces Panther Park, which had served as the Panthers' home field for 30 seasons, beginning with the 1978 campaign.

Robinson-Dresser boasts many of the amenities lacking at Panther Park, including a press box, permanent seating and on-site restrooms and concessions facilities. Fans also will enjoy an upgrade in parking, as Robinson-Dresser features a large, paved parking lot immediately adjacent to the softball field. The field, which has been used by Cedar Falls High School since its completion in the summer of 1989, was upgraded over the summer and fall of 2007 with improvements made to the turf, drainage system, scoreboard and outfield fence. The facility also features a lighting system for night games and large bullpen areas for both the home and visiting teams.

ROBINSON-DRESSER SPORTS COMPLEX

Softball Locker Room

Recently renovated as part of the Richard O. Jacobson Human Performance Complex project adjacent to the UNI-Dome, the softball team's locker room offers a large, comfortable space for the Panthers. In addition to large locker spaces for each UNI player, the locker room offers a comfortable meeting space for the team before and after games and practice. The room also features a television with DVD player and is the preferred place for many players to spend their down time between classes and workouts.

The UNI-Dome

Completed in 1976, the multipurpose facility with 78,000 square feet of floor space provides the Panthers an outstanding site for workouts during the winter months and also serves as home to the Ramada UNI-Dome Classic softball tournament. The Dome, with fixed seating for 16,324, is the home of Panther football and track & field and also has played host to numerous concerts and other major events, including the 1997 NCAA Wrestling Championships.

Sports Medicine

The demands of the Missouri Valley Conference place tremendous stress on an athlete's body.

The UNI sports medicine program features top-rate facilities and the outstanding services of sports and health care professionals.

The sports medicine program focuses on injury prevention. Staff members utilize the Biodex isokinetic testing devices, provide dietary analysis, outline programs to improve an athlete's flexibility and employ the use of the Hydroworx 2000 therapy pool for rehabilitation and reconditioning.

Athletic trainers and physicians work together to design rehabilitation programs for injured athletes. The state-of-the-art Human Performance Center athletic training room provides a variety of therapeutic modalities and rehabilitation equipment that are utilized daily to maintain the health of UNI's athletes and return them to competition quickly.

Student-Athlete Assistance Program (SAAP)

The University of Northern Iowa SAAP provides confidential, professional, and voluntary assistance and support to student-athletes regarding personal problems that are adversely affecting their academic or athletic performance. Educational programs also are offered to prevent problems and promote the general well being of student-athletes. The SAAP offers education and assistance regarding alcohol/drug problems, emotional problems, family difficulties, health/physical problems, financial and legal problems and eating disorders, among others.

To ensure the SAAP's effectiveness and protect students' rights, the following guidelines govern the program:

- The academic or athletics status of the student will not be jeopardized by the student seeking assistance.
- The program must protect the privacy of the student by employing strict confidentiality measures. Any details of communication between students and Core Committee members or Athletics Department personnel may not be

disclosed to any source without the prior written consent of the student-athlete.

- The decision to use the program must be voluntary.
- Unless the student-athlete consents otherwise, the person making a referral to a source of assistance at a student-athlete's request may disclose only the following information: how the student was referred to SAAP, and the reason for the referral.

Experienced Panthers to Tackle Tough Schedule

PANTHERS RETURN 10 LETTERWINNERS IN COACH JACOBS SECOND YEAR

The UNI softball team will not lack experience this year returning eight starters from 2008 along with 10 returning letterwinners from a team that finished 20-28. The Panthers return first-team all-conference performer pitcher/first baseman Jen Larsen along with center fielder Megan Machovec, who led the Panthers in numerous statistical categories.

"We are really excited about this team with so many kids returning from last year that have been able to go through a full season with our coaching staff," second-year head coach Ryan Jacobs said. "Everyone now understands what is expected of them and now they will be able to compete more comfortably. Our main goal is to be more consistent this year and compete hard all the time."

The Panthers will have numerous new faces on the roster though. Coach Jacobs and his staff added 11 freshmen and three transfer players to the Panther roster.

"We did a really good job recruiting for our needs and we feel we upgraded athletically in some positions this season," Jacobs said.

INFIELD

The Panthers will turn to veteran Morgan Paulson at first base. Paulson posted a perfect 1.000 fielding percentage last season and ranks third on UNI's all-time career fielding percentage list.

"Paulson is one of the major leaders on this team and is one of the best first base defensive players I have ever seen," Jacobs said. "Our team fielding percentage would not be as high as it was last year without her playing first base. Offensively she hasn't been where she knows she can be yet, but her offseason workouts will help her become the clutch hitter she knows she can be."

All-conference performer Jen Larsen and Colorado State transfer Eranne Daugharthy will also see some action at first base for the Panthers this season. Coach Jacobs believes the key is going to be getting all three players in the lineup at the same time.

At second base Crystal Keiper will return for her second season. Keiper hit three home runs for the Panthers last year and could also see playing time at shortstop.

"Keiper does a great job offensively for us and is the model of consistency for our program," Jacobs said. We know what we are going to get out of her every day."

2009 Outlook

The Panthers will turn to St. Thomas transfer Angie Steil and freshman Mackenzie Daigh to try and fill the void of four-year starter Stephanie Aguero, who played every game during her Panther career at shortstop.

"We had a great shortstop in Aguero last year. However, these two will be able to do as much as her defensively if not more. Filling the offensive shoes of Aguero will be tough though."

The Panthers return senior Brittney Balduf and junior Sarah Bakey at third base this year. Both players combined to start 50 games in 2008.

"Both of them have shown improvement from last year and will do a great job for us," Jacobs said. "With either one in the lineup we will never let up. They both play great defense, but the question is who will bring the most offense for our team."

OUTFIELD

The Panthers will field six solid outfielders that can play any position in the outfield.

"All of our outfielders are offensive-minded, fast and can compete against anybody," Jacobs said. "The outfielders will provide quality depth for us offensively."

The Panthers will return two key cogs from last year's outfield with juniors Megan Machovec and Rachel Gerking returning for the Panthers.

"We are looking for an all-conference year from Machovec. She led our team in numerous statistical categories last year which isn't an easy thing to do being a leadoff hitter. She is one of our captains this year and keeps getting better defensively for us. Gerking will be a middle of the lineup hitter for us again and has grown leaps and bounds within the last year. She is very athletic and is starting to play the game smarter rather than just relying on her athletic ability."

The Panthers will break in a new left fielder with freshman Hannah Borschel. Allison Galvin and Iowa Central Community College transfer Samantha Waters all in the mix to see playing time.

"All three of them have great speed and are great athletes," Jacobs said. "The thing that is going to separate who plays the most will be who brings more to our team offensively and can get on base and put pressure on the team's pitchers."

PITCHERS

The Panthers will rely on two experienced veterans on the mound this season as well as turning to newcomers Eranne Daugharthy and Melissa Tillett to log innings for the Panthers.

"This will be the key to success for our team this year," Jacobs said. "Larsen is going to do a lot of

MEGAN MACHOVEC

pitching for us, but we still don't know who is going to do a majority of the pitching."

Larsen held a 3.34 earned run average last season and pitched a team high 127.2 innings.

"We know we can count on Larsen, and we know Tillett can definitely do it but with her having to red-shirt last year due to injury it has still yet to be seen what she can do on the mound under pressure."

Daugharthy and Bakey also look to be key contributors for the Panther staff this season as well. Bakey went 5-4 last year for the Panthers and Daugharthy went 1-1 as a starter at Colorado State last season.

"Daugharthy had some success last year but didn't get very many innings. She will be able to show off her capability this season and like Larsen she will be a major asset for us offensively. We will turn to Bakey as a consistent reliever when our pitchers are struggling to find the zone and get outs."

CATCHERS

The Panthers will return three-year starting catcher Kelly Papesh to be in command behind the plate.

"Kelly caught 90 percent of the games for us last year and does a great job at leading this team," Jacobs said. "She is one of our captains this year and we are looking for her to provide more offensively for us. She runs the show for us and is a vocal leader and leads by example."

Backing up Papesh will be freshman Courtney Dunker from New Lenox, Ill.

"Courtney has tremendous power at the plate and does a good job as a freshman controlling things defensively. She is going to get some experience this year and some at bats. It will be a good experience for her to learn from Papesh this year."

Laura Turner, Leah Embrey and Kalli Heflin could also

see some time at catcher.

SCHEDULE

The Panthers will face a tough early season schedule in hopes it will prepare them for the Missouri Valley Conference season.

"We want to play as many high-caliber opponents as possible before the Valley season," Jacobs said. "We are playing a tough Big 12 schedule and our kids are going to have some great experiences playing in great atmospheres and facilities."

The Panthers will host the Ramada UNI-Dome Classic to start the season for the third straight year Feb. 7-8. The Panthers will welcome Dayton, South Dakota State, North Dakota and Nebraska to the UNI-Dome.

"We have great competition every year and this year will be even better with Nebraska coming," Jacobs said.

The Panthers will head north Feb. 13-15 to Minneapolis, Minn., to play in the Metrodome Classic. The event includes Western Illinois, Minnesota, Green Bay, Drake and Arkansas.

The Panthers will be in action for the third straight week as they travel to Baton Rouge, La., to take part in the LSU Purple and Gold Challenge Feb. 20-22.

"We decided to try something new this year," Jacobs said. "Our objective is to play top-notch competition and this experience will only make us better."

The Panthers will take a week off before heading to the Jayhawk Classic in Lawrence, Kan., March 7-8. The Panthers will take on North Dakota State, Eastern Illinois and battle Kansas twice.

Following the Kansas trip the Panthers will start a six-game road trip that includes Missouri, Missouri State (three games), Oklahoma and Oklahoma State.

The Panthers will finally return home to host a three-game homestand against MVC foe Southern Illinois March 21-22 before heading to Iowa State March 25.

Following the contest against in-state rival Iowa State the Panthers will host seven straight homes from March 28-April 1. The Panthers will host Creighton, North Dakota and Bradley.

The Panthers then travel to Evansville for three games and to Madison, Wis., to play a doubleheader against Big Ten foe Wisconsin April 8.

UNI will play seven of its next home games at home against the likes of Wichita State, North Dakota, Indiana State and Iowa.

The Panthers close out the regular season on a seven-game road trip at Nebraska, Illinois State and Drake before the State Farm Missouri Valley Conference Tournament gets underway from May 7-10 in Peoria, Ill.

Second Season

**"Our goal and philosophy is to
out-hustle
and out-play
our opponent,
and play the game
the right way.**

**Wins and losses will then take
care of themselves."**

- head coach Ryan Jacobs

Ryan Jacobs enters his second season at the helm of the University of Northern Iowa softball team, but Jacobs is no stranger to Panther athletics. The Cedar Rapids native played two seasons for UNI's baseball team, from 1997 to 1998, helping the Panthers to a then-school record 32 wins and second-place finish in the Missouri Valley Conference.

During his first year as head coach, Jacobs led the Panthers to a blistering 7-1 record to start the season before cooling off and finishing with a 20-28 overall record and a 5-16 conference mark. Jacobs also helped the Panthers improve their overall winning percentage from .373 (19-32 overall) in 2007 to .416 (20-28 overall) in 2008 and improve one spot in the Valley standings.

During the non-conference slate the Panthers snapped Nebraska's 44-game non-conference home winning streak with a 2-1 win, topped Minnesota, 6-4, and beat Wisconsin, 3-0.

In conference play, the Panthers just missed qualifying for the eight-team Missouri Valley Conference Tournament after finishing ninth in the league.

The Panthers set a school record for team fielding percentage during Jacobs' first year after compiling a .971 fielding percentage, topping the previous school record of .961 set in 2001. Jacobs' squad only committed 41 errors, shattering the previous mark of 52 errors committed in a season back in 1998.

Jacobs served as the head softball coach at Cedar Falls High School from 2004 to 2007, guiding the Tigers to a 108-62-2 cumulative record. In 2007, the Tigers' squad finished with a 32-10 mark — the second-best in school history — and was ranked as high as fifth in Iowa's Class 4A. In Jacobs' tenure at CFHS, he guided six first-team All-Mississippi Valley Conference players, including one conference player of the year, five first-team all-district players and four all-state players.

After a season of playing professional baseball for the Richmond Roosters of the Frontier League and assistant baseball coaching stints at Cornell College and Cedar Rapids Xavier High School, Jacobs returned to Cedar Falls and UNI in 2001.

He served as an assistant coach on the Panther baseball staff, specializing in coaching the catchers and hitters. He also coordinated Panther camps and clinics and served as the team's first base coach. UNI recorded an average of 29 wins per season while Jacobs was on staff, including a school-record 35 victories and an NCAA tournament appearance in 2001.

Jacobs' coaching philosophy revolves around pushing players to their maximum potential and being able to outwork the opposing team. Jacobs looks to focus on playing the game "the right way" and hustling to outplay opponents.

Jacobs was a standout prep baseball player at Cedar Rapids Regis High School, being named both Mississippi Valley Conference Player of the Year and the Iowa Legion Player of the Year in 1994.

Jacobs and his wife Kelley, a UNI assistant women's basketball coach, reside in Cedar Falls with their two daughters, Haley (3) and Emma (1).

2008 Season Recap

With an entirely new coaching staff and five newcomers to the Panther softball team, many growing pains were expected in head coach Ryan Jacobs' first year at the helm. Looking at the final product, the Panthers finished the season 20-28 overall and 5-16 in Missouri Valley Conference play. But looking at the big picture the Panther softball program appears to be headed in the right direction.

A team featuring just three seniors, the Panthers showed steady improvement from 2007 finishing ninth in the MVC standings after finishing 10th the past two seasons. The Panthers also improved its winning percentage from .373 in 2007 (19-32 overall) to .416 (20-28 overall) in 2008.

The 2008 squad also found its way into the record books by setting a mark in fielding percentage (.971), topping the previous school record set in 2001 (.966). The Panthers also set a school record for fewest errors committed in season making only 41 errors, shattering the previous school mark of 52 errors set in 1998.

As a team, UNI improved in many statistical categories in MVC play. The Panthers improved its batting average from .252 to .256, along with drawing 54 walks in 2008 in comparison to 43 in 2007. The Panther pitching staff also improved allowing 186 hits in 21 conference games compared to 234 hits in 22 games in 2007. In 2008, the Panthers allowed just 129 runs, improving from the 164 they gave up in 2007.

Individually, sophomore pitcher/first baseman Jen Larsen earned the Panthers' first All-MVC first team selection since 2003. Larsen finished the season with a .317 overall batting average and hit .318 conference play. The sophomore led the Panthers with seven home runs, including three game-winning homers. Besides being a strong force at the plate for the Panthers, Larsen led the way in the pitching circle also, posting the lowest ERA on the team (3.34). Larsen tossed 127.2 innings, including 10 complete games and two shutouts.

Fellow sophomore outfielder Megan Machovec enjoyed a breakout season. Machovec finished fourth in the Valley batting .366. She also finished second in the Valley in triples (5) and sixth in hits (56). The standout sophomore led the Panthers in four statistical categories as well: runs (32), hits (56), stolen bases (8) and triples (5).

Senior shortstop Stephanie Aguerro concluded her

Jen Larsen, pitcher/first base, earned Missouri Valley Conference first-team honors after batting .318 in conference play. Larsen hit seven home runs, including three game-winning home runs. Larsen also pitched 127.2 innings for the Panthers.

Panther career second on the team and fifth in the MVC with a .361 batting average. The senior connected for 53 hits, 11 doubles, five home runs, 31 RBIs and 28 runs scored on the year. Aguerro ended her four-year career starting 197 games.

To open the 2008 season, the Panthers held off Dayton, 7-5, in Jacobs' debut in the purple and gold. The Panthers would go on to finish the weekend tournament with a 3-1 record, with wins over South Dakota State, 7-2, and North Dakota, 3-0.

The Panthers continued their hot start to the season, winning four straight contests, which included wins over Arkansas, 3-0, and Minnesota, 6-4. Despite losing to Iowa, 1-0, in the Metrodome, the Panthers finished the month of February with a 7-2 record.

The month of March put a halt the Panthers blistering start, as UNI finished March with a 5-15 mark. Four of those losses were decided by one run. March was not entirely a bleak month for the Panthers though, playing on the final day of the month the Panthers ended Nebraska's 44-game home non-conference winning streak as the Panthers took a 2-1 win over the Huskers in game one of a doubleheader.

Jumping into MVC play, the Panthers lost six of its first conference games earning its first league win of the year over Bradley, 2-0 on April 2. The Panthers went on to also win game two of the doubleheader over the Braves, 6-2. After dropping three straight games to Drake, the Panthers regrouped to pick up a 3-0 road win over Wisconsin, posting its second win of the year over a Big Ten Conference foe.

The Panthers finished the season winning five of

its final 13 games, including a 5-4 win over MVC second-place finisher Illinois State. The Panthers 5-16 league mark found themselves on the outside of earning a bid to the eight-team MVC tournament.

Even though the finish was not as strong as the Panthers would have liked, the first year under Coach Jacobs did have many bright spots:

- Coach Jacobs won his debut as the Panther head coach with a 7-2 win over Dayton.
- The Panthers started the season 7-2.
- Sophomore Jen Larsen earned first-team All-MVC honors.
- The pitching duo of Ashley Lepely and Jen Larsen combined to pitch 21 complete games.
- The Panthers finished the season in the top-five in four of the Valley's statistical batting categories. UNI finished in the top-half of the Valley categories in: batting average, on-base percentage, doubles and triples.
- The Panthers won eight of its 15 home games.

The Missouri Valley Conference

The Missouri Valley Conference enters its 102nd year at the start of the 2008-09 academic year, and the nation's second-oldest NCAA Division I conference continues to be a leader in college athletics.

The Valley continues to lead by example as one of college athletics' most progressive conferences. The Valley emphasizes the importance of the student-athlete and is aggressive in its approach to provide opportunities for its member institutions.

Based in St. Louis since 1985, the league is assertive in its approach to hosting NCAA basketball championship events, operating a revenue-producing in-house television network, bidding out the right to host sport championships and landing title sponsorships for those events.

The success of The Valley television package is one of the great stories in the league, in terms of the clearance of the men's basketball tournament title game on national broadcast television, the excellent national and regional coverage for basketball and other sports, and the effective sale of advertising content to more than 25 companies. The MVC Television Network has blossomed into a revenue-generating vehicle and The Valley's most visible marketing tool.

During the tenure of Doug Elgin, The Valley's ninth and longest-tenured commissioner, The Valley has been aggressive in hosting NCAA events in St. Louis. That role came to a spectacular climax in April 2005 as the conference collaborated with local partners to stage the Men's Final Four at the Edward Jones Dome.

And while the Missouri Valley Conference has been progressive in pursuing NCAA events, it has continued to be a national leader in the athletic arena. And starting in 1995-96, the conference broke new ground by allowing league members to bid for hosting rights for select team sport championships. By establishing uniform host criteria, the conference is able to assist a host institution in a season-long promotional campaign and provide an avenue where hosts can acquire sponsors and achieve a profit for the event.

The 2003-04 season was a landmark season for the conference as State Farm Insurance and the league came to terms on an agreement that provides State Farm with title sponsorship of all of the league's 18 championships. That agreement was enhanced for the 2007-08 season. The conference's progressive marketing and in-house television package has helped open doors to regional and national sponsors outside of the realm of title sponsorships, as the league's men's basketball tournament sponsorship revenues continues to reach all-time highs.

Meanwhile, the league has been progressive in other areas, as it has taken its merchandise program in-house, while offering e-commerce solutions for league apparel, championship photography and a conference-wide videostreaming package.

The seeds for this vision were planted by eight administrators representing five institutions, who met at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools -- Drake University and Iowa State College -- were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track & field (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, women's swimming and diving, men's and women's tennis, and women's volleyball.

This season, the league will conduct its 98th outdoor track and field championship, its 91st tennis championship, its 55th baseball tournament, and its 71st golf championship for the men. Those programs, plus other current sponsored sports of cross country (50 years), indoor track (42), soccer (18) and swimming and diving (15), have helped solidify the Missouri Valley Conference as one of the most respected conferences nationally.

Indeed, the inclusion of women's programs under The Valley banner has provided a boost. The Gateway Collegiate Athletic Conference -- which began in 1982 -- merged with the Missouri Valley Conference and was unveiled as part of the new conference on July 1, 1992.

And while the inclusion of women's sports under a comprehensive athletic umbrella is a recent development in the league's storied history, over the years, Valley student-athletes and coaches have become household names during the league's illustrious history, both during their collegiate careers and, for some, professional careers.

In fact, The Valley began honoring that tradition in the summer of 1997, when the conference began its athletics Hall of Fame. Hersey Hawkins of Bradley, Larry Bird of Indiana State, Wes Unseld of Louisville, Coach Henry Iba of Oklahoma State, Dave Stallworth of Wichita State, Ed Macauley of Saint Louis, and Oscar Robertson of Cincinnati were members of the initial induction class. Currently, more than 30 former players, coaches and alumni dot the league's Hall of Fame.

League members include Bradley University, Creighton University, Drake University, the University of Evansville, Illinois State University, Indiana State University, Missouri State University, the University of Northern Iowa, Southern Illinois University, and Wichita State University. Eastern Illinois University is an affiliate member in men's soccer.

The Dugout Club offers friends and fans of the University of Northern Iowa softball program the opportunity to help support the Panthers. The official booster group of UNI Softball, the Dugout Club's mission is to support the Panthers by funding necessities such as team travel, equipment purchases and related expenses. The generous donations already provided by these individuals and families will be an asset to the Panthers as they look to build a winning tradition under coach Ryan Jacobs.

For more on the Dugout Club, including membership information and a list of benefits for members, contact Assistant Coach Julie Gerdes at (319) 273-2520 or julie.gerdes@uni.edu.
